Accessing Annual Reports

There is only one link to access the annual report forms.

Please use the secure site: survey.cwl.ca.

Please ensure to enter the URL into your browser bar (not a Google search).

This link will be available from November 1 to December 31, 2017 inclusively.

Your user name will be your membership ID number, which is on your membership card. Your password will be your membership ID number + the first initial of your first and last name.

For example, Bellelle Guerin, member ID 765321, and then enter her password 765321BG. This should bring you to your council's survey.

If you want print copies of the survey to work through first you can request them through national office at info@cwl.ca.

Thanks to all for your valuable input into annual reports – they are our voice!
