Directive # 7

September has been a busy month....Back to a regular routine, meetings, meetings and more meetings, babysitting, birthdays and enjoying family reunions and/or last warm days together! Now the Fall season is upon us and already dealing with colds that the grandchildren have caught from school and passing down to the rest of us.....such is life!

New National Communication Chairperson: No doubt you have heard that our new national Communication Chairperson is Doreen Gowans. She has sent out her first directive and it should be on the National website shortly. In this directive she gives a little bit of background on herself and writes about the League sponsored masses, the website, the pornography hurts cards and some resolutions that she encourages you to act on. She also reminds us that our new mission statement is:

The Catholic Women's League of Canada calls its members to grow in faith, and to witness to the love of God through ministry and service.

Please go to the national website cwl.ca to view the revamped website and to read her full communiqué as soon as it is updated.

Provincial Convention 2019 Fundraiser: The Kingston diocese is fundraising for the Provincial Convention in July 2019. They are offering many items such as ladies' soft shell jackets and sports shirts, USB's & Lanyards, auto & trunk organizers and a "Pondering" CD by Bernadette Burgess. Please visit the Kingston diocese website for prices and ordering details: www.kingston.cwl.on.ca. I will also post it on the Provincial website as well. I ask all Communication Chairpersons to please pass this on to all their members. Enjoy this wonderful Fall weather!
